“ We send our condolences in the passing of a dear friend, Ann Reich. She was my high school friend and my roomie our second year at Virginia Intermont in Bristol, VA. We enjoyed many visits starting with Ann and Lynn in Milwaukee when we both had our first daughters, Kari and Denise. Then we visited with them many times on our sailboat, “Sea Nettle” when they lived in Cape Coral. We had fun boating with them in the Cape Coral area when we sailed from Easton, MD. We also visited Ann several times in N. Ft. Myers. I am so sorry I didn’t get to speak with her on her birthday, December 31. Unfortunately, I had bronchitis and could not talk on the phone. I would appreciate one of her children contacting me at 410.714.2275 or 23 Lynnbrook Terrace, Easton, MD 21601. Thank you and may you be comforted in the loss of your mother and know she loved her children and grandchildren and kept us up to date when we visited. In sympathy, Jackie and Dave Dianich
