

## Bonnie Marie Jordan

January 6, 2024

Bonnie Marie Jordan, of Phoenix Arizona, died January 6, 2024, in Surprise, Arizona. She was born February 1, 1971, to William and Bonnie Groh in Baltimore, Maryland.

Bonnie was an amazing mother and her dedication knew no bounds. Being a mother at the age of 18 was undoubtedly one of the most challenging, yet ultimately the most rewarding experiences and Bonnie did it with such wholeheartedness. She went to school and found her passion to be a hairdresser when she was in her late 20s.

Selfless, bubbly, funny – with the best sense of humor, and kind to everyone she met, are just some of the qualities that she will be remembered for. One of her life's greatest joys was being a grandmother. Her grandchildren meant the absolute world to her.

Bonnie's boyfriend, Mike, her daughter Brittany, and her fiancé, Steven, took care of her as her health deteriorated. Bonnie remained strong till the end and never acted sick, or in pain. She will be greatly missed by all her family and friends.

She is survived by her daughter, Brittany Groh (Steven); her father, William Groh; her biological grandchildren, Talon (13) and Telsa (7) as well as had 4

soon to be bonus grandchildren, Steven (13) Natalie (17) Kaylynn (12) and Jaiden (12.)

She is preceded in death by her mother, Bonnie Groh, and her ex-husband, Larry Jordan.
