

Brenda M. Lyons

October 27, 2022

Mrs. Brenda Mina Lyons, 66 of Wittmann, Arizona passed away on October 27, 2022, in Wittmann, Arizona. She was born June 18, 1956, to Harry Bell and Wilma Sisco in Ware, Massachusetts.

She married David Lyons on March 15, 1980, in Owensboro, Kentucky. They had one daughter, Shelly who was Brenda's baby. When Shelly was young, she often let her get away with much more than Dave would have liked.

Brenda was a dedicated businesswoman, owning her salons and working for herself through the years. She owned and operated Eco Chic Hair Boutique for the past 7 years in Surprise, Arizona. All of Brenda's clients were so special to her. She listened and genuinely cared for them.

Brenda hated to cook, but always had a few special dishes she was famous for. She loved to have her homemade vanilla ice cream topped with peanut butter fudge. She often scoffed at the idea of flowers, saying they were a waste of money; but necklaces, on the other hand, she always had one on. Her spunky nature was ever so present and wasn't a surprise to anyone if you heard her comment "are you f@%*ing kidding me!"

In her free time, she loved to dance; you could find her and Dave at the local Brookside Sports Bar & Grille every Thursday night, dancing and having a

great time. Western fashion, décor, and music were some of her favorite things. She often could be found listening to her two favorite bands: Western Fusion, and Western Bred. She loved horses- particularly palominos, and her favorite color was orange.

Dave and Brenda bought an RV and had big plans to travel after retirement. Quickly enough though, Brenda realized that she disliked traveling in her RV, but enjoyed traveling abroad. Their most recent trip was to Stockholm, Sweden, as she pursued her new passion with ZinZino.

Brenda will be remembered fondly as a beautiful, caring, loving, hardworking, and all-around exceptional wife, mother, grandmother, friend, and woman. She will be dearly missed by all who knew and loved her.

Brenda is survived by her husband of 42 years, Dave Lyons; daughter Shelly Marano; sister Cindy Wood; brother, Bill Brunelle and her 3 grandchildren: Savanna, Saleen, and Bella.

She was preceded in death by her mother, father, brother, and Son-In-Law.

“ I can't believe it's been about 3 years now without Brenda! I didn't have any way of finding out that she passed till now since I moved out of Arizona to Ohio! She was the best lady I have ever met in Arizona she had a heart of Gold and loved her husband and family very much. I just wanted to post something to let you know I think about Brenda all the time she has cut my hair for more than 25 years and she was genuine as they get. I miss talking to her even though I moved. Your family are still in my prayers as of today because I know it hurts and I pray that your family has the strength to get through this difficult time. I do want to share an experience I had with Brenda and her family! We all walked for Relay for Life it was an overnight event where we walked in the baseball field so we could support the cause. This was so much fun we danced and we walked slot and I really don't believe that we slept we were up all night long and I'll never forget that time with her and her family! She always put others first and that is very rare to find these days with people! May God be blessing her soul! We will all see her one day again!

“ Dave and Girls,Brenda will be deeply missed at the shop. Such a wonderful and beautiful woman! Every morning she would say to me did you take your Zinzino and then say I only nag you about it cuz I care and I love. I hear those words every darn morning. I pray for your family that your pain will ease with time.

“ I was a client of Brenda's and appreciated her talent with hair. She was also a great source of information about dancing which helped us since we were snowbirds and liked to dance. Most of all, she was a friend and always greeted us warmly when we saw she and Dave out dancing. She will be so missed by those who knew her. Arizona just won't seem the same.

“ Pam And I were deeply saddened by the passing of our friend Brenda. The times we traveled to Arizona and stayed with Dave and Brenda were some of the best times we ever had. Our hearts go out to Dave, Shelly, and the girls. She is dancing with the angels now , and no doubt right in the front line.

“ Brenda and I were best of friends through high school. We always tried keeping in touch through the years. We had such great times in her mom's old Ford pickup that wouldn't start half the time! She will be missed greatly.
