“I smile each time I think of Charlotte. I met Charlotte in the early 1970's in the Detroit area while Henryk and my late husband Rick were working together. We moved to Phoenix just prior to them moving there. The four of us spent a lot of happy times together. I admired Charlotte for her strong faith and commitment to making the world a better more just place.God is holding her close in his arms now. Blessings and my prayers to you Paul and all of the family. Peace and love.
