“ Hi Kennedy, Cleve was my dad as well. I didn't know he had any other children besides Travis. Is he a blood relative or he was like a grandfather to you? Feel free to call or text me at 714-814-9227.

“ To the family of Cleve,I just got the news yesterday of Cleve’s passing– It’s now July. Please accept my condolences. I knew Cleve for 16 years and he was special to me. He helped me through alot of hard times with my ex-husband, his best friend, Steve. He gave me encouragement and helped me when my times were dark. We had alot of laughs over the years but I lost touch after I divorced and moved away. I always hoped he and Bliss would have a good life. I’m so sorry for your loss and hope that memories of him heal your heart.Sandy Mason (was Gregory)
