

Danelle Livingston Berez

February 22, 2026

Mrs. Danelle Livingston Berez 85 year old. Of Buckeye AZ. She died February 22, 2026 from a long battle with Dementia/Alzheimer's. She was born April 29, 1940, to James and Mae Moffat in Chicago Illinois.

Her hobby was sewing and she would sew my early days figure skating outfits, as well as needle pointing lots of pillows and wall art.

She was a loving grandmother and enjoyed watching the grandkids numerous activities.

Danelle loved to Antique shop. Her and her husband, Bob would spend endless hours hunting down a piece of Watt pottery together.

They spent their early retirement traveling the country in their motorhome before becoming snowbirds, and then full time residents in AZ. My mother and her husband Bob had a very active retirement. Including Dune Buggy adventures, water aerobics and "Putters Club".

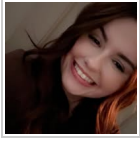

They loved living at the base of White tank mountain and watching the AZ sunsets.

Danelle was preceded in death by her late husband Bob, her parents and 3 older siblings and her beloved dogs Polo and Scamp.

She is survived by her daughter Julie Berecz DeMaar (Iance Drake DeMaar) and her son Steven Daniel Berecz (Jaclynn Berecz) and her four grandchildren Megan Mae (DeMaar) Tjaden, Drake Daniel DeMaar, Bethany Gertude Berecz, and Ryan Robert Berecz.

In Lieu of flowers donations can be made to the Alzheimer's Association
