

Denise V. Clark

August 9, 2022

Denise Victoria Clark, 70, of Cincinnati, Ohio died on August 9th, 2022 in Phoenix, Arizona. She was born on September 17th, 1951 to Willie Absolom Clark Jr. and Elizabeth Jane Ricks in Cincinnati, Ohio.

This world was Denise's sitcom where she was the star and we were all her supporting characters. Denise took control of her life and never let life or its struggles control her. She was a strong and fierce woman who loved to show up and show out! When Denise arrived at a party everyone knew it; she was loud, funny and always the best dressed. She was a little bit vain and proud of it, there was no shame in wanting to look and feel her best at all times. Her energy took over the room when she walked in. If you were around her you knew you were in for a great time. She made everyone feel like family even if she had never met you before.

Amazing doesn't even begin to cover the kind of mother Denise was. She loved her children with her whole heart and always made sure they got to experience everything life had to offer. From music, dance, sports and clubs Denise was always there to support her three kids. She always made sure her kids looked perfect so they could feel just as confident as she did.

Denise is survived by her children Terri Leflore (Todd), Brandon Friason, and Christopher Friason (Johanna), her Sisters Dawn and Donna Clark, Brother

Darryl Clark (Lynda), six Grandchildren, four Great-grandchildren and a host of Nieces and Nephews. She was proceeded in death by her Parents Willie and Elizabeth Clark, her Sister Deborah Wilhite, and her Sister and best friend Lori Jennings (Hosea).

Private services were held with a small gathering of friends and family. In lieu of flowers the family suggests donations be made to The Ryan House.

“ Girl, what can I say? So much history, so much laughter, some pain thrown in there but so much more love than anything else. It boggles my mind that you're not here anymore. Don't know what to do with that.....I just don't know. I pray your transition was a peaceful one and that the ancestors were there to greet you as you crossed over...I miss you Cousin....R.I.P.💕🕯️🙏 Love You, Cousin Punk
