“ We are very sorry for your loss. Dave and Don were good friends from grade school on through high school and stayed in touch all these years. Don composed the best Christmas letters, and we will miss those. He may be gone from our sight, but will never be forgotten. Peace, Dave and Lynne Mielke

“ I miss my dad. He was warm, loving, sweet, funny, and gregarious. His family, my mom, friends, travel, sunsets on the ocean, trying new foods and experiences, and having deep, engaged conversations were his favorite parts of life. I knew that someday he'd die, but I never imagined how much his death would impact me. I wish he was still around.
