“ *Missing you, daddy, more then my words can say. Thanks for teaching me what true and unconditional love is. You may be absent from my sight, but you are always in my heart. I love you!*

“ *Dear Wife and Family, our condolences on your loss. I knew Doug for many years and will miss all of the interesting conversations that we shared over the years. He was always happy to see me when I would come into his office at the Carpenter's Shop. I worked on the outside at the Water Reclamation Facility for over 30 years myself so we crossed paths quite a few times over the years. I know that Doug was a good person and always willing to help out his fellow man be it with work or with words. He will be greatly missed by all of his old buddies out at Palo Verde!Regards,George and Bonnie Fisher*
