May 10, 2022

April 20th, 1949 – May 4th, 2022

George was born to Petru and Maria Tivadar in Oradea, Romania in 1949. George was 73 years old when he went to be with our Lord after his battle with cancer for 1 year. George moved to Michigan at the age of 20 and worked for Ford Corporate Credit Division for 30 years.

George was very ambitious and had a passion for serving the Lord. He loved singing, playing the guitar and was very devoted to reading and studying the word of God. George worked on and helped complete a Christian Poetry Book called Cartea Taine De Costace Ioanid and also contributed in the Christian Romanian Musical Writings and Music Book by Nicolae Moldovan.

George married Silvia in 2016 and shortly after moved to Arizona in 2017. George grew to love Arizona, the weather and the beautiful scenery. George loved to travel and sightsee. He was constantly driving to Sedona, Flagstaff, and loved Prescott. He enjoyed going out on drives and strolls with Silvia weekly. George had a very close relationship to his grandsons Evan and Nolan. Evan and Nolan knew George as their grandfather and loved him dearly.

George was full of life and was always looking to learn as much as possible.

He would enroll into college courses; he would take finance courses in his late 60's and early 70's. George always wanted to learn and encourages others to learn. George believed that limitations should not get in the way of trying new things and did not believe in excuses. George believed there are options, solutions and ways to always figure things out. George loved Silvia and spent his last years and days with his wife that he loved dearly to his last breath. George was devoted to God and his faith to the very last moment.

You are loved and missed George.
