“ Our hearts are sad today. Her smile was always such a beautiful sight to see. The light in her eye always told us she knew exactly what she wanted to do and her determination to do it was unmatched. God blessed us with his most precious angel and since he has called you home, we look for you in the clouds hoping to catch one more “BOO”. We love you Aunt Michelle and Uncle Pete.

“ I will miss you my Jenny but you were always such a bright light in this sometimes dark world. I am so glad you are in heaven, being the sweet and beautiful angel you always were. Now you can sing your country songs and dance and run and jump and do all the wonderful things you were not able to do on this earth. You will always be my Putzy. I love you forever!!
