“ I knew John in the old days in Flagstaff. I tried to track him down, and found he had passed away. We had good times when we were young, streetracing in his old Mustang in the late 60s.. Good memories.

“ The saying “the good die young” holds true for this wonderful man. I was lucky enough to not only to work with John but I got to sit across from him and I can honestly say when he was at work it was never a dull moment. He always had a smile on his face and was always up for some prank that had everyone laughing. RIP John you will be missed.

“ Please know this earth is now minus one deeply caring and genuine human being.. I worked with John for several years on the Chase account. He was a courteous, caring and genuinely kind client to service. I will always remember and keep in mind his kind words and sincere respect he had for all vendors that worked for him.. Please accept my deepest condolences on your loss..

“ Such a loss to this world. John was the kindest and gentlest person that I have ever known. No matter how he felt, he put others needs before his own each and every day. He had the biggest heart and the best hugs!! Gonna miss him dearly. Love you Stephanie and Kaleigh, and my condolences to the rest of the family.
