

Kenneth "Cat" Kitaguchi

December 12, 2019

God has taken another Angel home on the 29th day of November 2019. Kenneth Kitaguchi passed away in his home surrounded by his wife and partner in life of 36 years, Wendy (Chadwick).

Kenneth was born on August 28, 1959, in Los Angeles, California. He moved to Texas with his family before they eventually landed in Phoenix, Arizona where he attended Greenway High School. Kenneth took 1st place in the State of Arizona for his Jewelry and belt buckles that he made by hand for his favorite band The Charlie Daniel's Band. They appreciated his work so much they dedicated the song, "Long Haired County Boy" to him. From them, he acquired his nickname and logo "Cat".

Ken started his own business building custom homes "Sa Hu Construction". He also created a patent on the Buddy Tool used in construction. Ken eventually retired and began to enjoy his hobbies of hiking in the mountains, panning for gold, playing his harmonica, and playing chess. He would never turn down an opportunity to challenge someone to a new game of chess, especially if he knew he would be the winner.

Ken is survived by his wife Wendy Kitaguchi, mother Betty Garcia, four Brothers Ben, Terry, Tome and Sam Jr., two nieces Briar and Chelsea, and one nephew Kyle Kitaguchi. He is preceded in death by his Father Sam S.

“ A little known fact about my brother, while growing up his nickname was “cannonball”. I have no idea where it originated, nor who bestowed it. However, in thinking about it, it does seem to exemplify who he was. For any he knew, he came in with a bang and fanfare and left a clear trail of his presence. Ken, I can only thank you for who you are and what you've done; however, words cannot describe what you've meant to me. I'm proud to call you brother!All my love...your little brother,Ben
