

Kent L. Conger Jr.

February 9, 2022

Kent Lewis Conger Jr. passed away peacefully in the early hours of Tuesday, January 25, 2022. Surrounded by family, Kent crossed over into our Heavenly Father's care, greeted by his mother and father who passed away when he was a child.

Kent is survived by his loving wife Anne M. Conger; 3 children, Jason, Karen, & Susan; 14 grandchildren; and 1 great-grandchild. Kent had a full life as a Hardware/Software Engineer.

He enjoyed many years doing Tae Kwon-do where he achieved the level of black belt and could regularly breakthrough 7 concrete bricks with his bare hands, though he could have done more, he was respectful of his Master's record. He enjoyed gardening, scouting, camping, hiking, computer games, amateur radio, and many other hobbies. Kent was a devoted father and husband and will be missed.
