“ Larry was one year ahead of me in school. His brother Fred was my classmate and we hung out together. Larry’s dad owned a bakery and provided refreshments for the Filipino field workers. Fred and I worked the fields as teen Agee’s! Once Sax (the Dad) drove to Reno in his 1952 Chevy) tossed the keys to Fred and said “ see you two in a couple of day!” He bought a Beautiful orange 1956 Chevrolet which his sons used to transport them to their Varsity football games! I then drove the Dad to the games since I had to be there with the marching band. Great times!!
