“ My sweet Ann, we have shared so many happy times. You are my rock and my friend. From the day we met at Wolfe Ford in Burkburnett to our classes at Barwise and Rider, to the day you put a big red bow on my 1970 Grabber Yellow Mustang, to weddings, babies, school kids, more weddings, GRANDBABIES, we always have remained friends. Long talks, long walks, shopping, travels, laughter and tears, you have always been the one I turned to. I cannot imagine my life without you. I know we will be together again one day. Until then, I will talk to you in my prayers and see you in my dreams. Wait for me at the Pearly Gates. I'll be the one wearing a Black and Gold Raider '72 sweatshirt, and a 'Friends Forever' necklace. Ann, I love you! And I will miss you!

“ My heart goes out to all of your kids & grandkids Ann. Whether you realized it or not, you were a good asset to the Crouse Family. Oh how I remember our conversations and how we would laugh so hard. We lived so far apart and didn't always get to talk but when we did, we took full advantage of it. You will forever be in my heart and thoughts. I love you dearly!
