“ I will always remember Aunt Marilyn’s smile and how sweet and gentle she was. And, I know that I will never taste a poppy seed cake to compare to hers and will think of her always when I see that treat and say a silent thanks for introducing us. Know that she put that smile on my face as well. LoveMary Ann

“ Aunt Marilyn! I fondly remember many many Sundays growing up in Pittsburgh, adults having coffee and playing cards. Uncle Frank was always there with you and of course our cousins Frank and Jimmy. Oh and that poppyseed cake!! Those were the days however I imagine they can’t compare to your heavenly forever home now. Cherishing the memories,
