“ *Rick, Paul, Chris and Family, We are so sorry for your loss. Paula will be very much missed! Recalling the time we knew her at Roswell Assembly of God, she always seemed to have a smile on her face and an encouraging word to share no matter what she was dealing with personally. We know she is with Jesus now, and while we all want her here still, we find comfort in knowing that we will see her again! May the God of all comfort, comfort your family at this difficult time. Our heartfelt prayers are with you. Sincerely, The Montis'*

“ We will always remember how ready and willing Paula was to verbally share about her personal relationship with the risen Lord Jesus, particularly when she delivered the eulogy at her own father’s — Uncle Paul’s — funeral in 2007 at Saint Martin of Tours Church in St. Louis. She recounted then and there how, during one of her dad’s final days, she had the opportunity to present her Christian testimony to him; yet it seems that she would testify as such to anyone with equal warmth and encouragement. Both Paula, as a loving/lovable human being, and her courageous living witness for Christ are irreplaceable and are now greatly missed. We love you, cousin...

“ Dear Rick and family, Paula was a beacon of light to us. She was always positive and looking at things from a perspective of hope. My heart is is sad for a world without Paula but also leaps for joy that she completely cured and whole in Heaven. May Our Lord and Savior wipe away your tears and comfort you in His Arms. “ So very sorry for this loss. My brother Joe is married to Paula’s sister, Debbie. I followed Paula on FB and know that she fought the good fight. She made the most of her time here by moving to AZ to be near her family. I enjoyed seeing her interact with Keller, her precious grandson. She was in love with him. I know he misses her too. Such a sweet relationship. Our sympathy and prayers to her family and friends.
