

Sharon K Merry

April 19, 2025

Sharon K. Merry, 86, of Glendale, Arizona, passed away peacefully of natural causes on April 19, 2025, in Surprise, Arizona. Born on November 7, 1938, in Chicago, Illinois, to Clair and Mildred McNeil, Sharon lived a life filled with creativity, curiosity, and compassion.

A lifelong artist, Sharon earned a degree in Art History and found joy and purpose in painting, drawing, and working with chalk. Her art was not only a personal passion but a way she connected with the world and those she loved. She was also a dedicated Reiki Master and instructor, using her talents to help others find healing and balance.

Sharon was a free spirit with a deep love for crafting, often making handmade gifts that her family will treasure for generations. She embraced every opportunity for adventure and self-discovery, whether through travel, creativity, or her daily practices of yoga and tai chi.

Above all, Sharon was a devoted mother, grandmother, great-grandmother, and great-great-grandmother. She is survived by her loving daughter, Julie Dearing; her two sons, Michael and Mathew Jakus; five grandchildren; eleven great-grandchildren; and one great-great-grandchild. Her legacy lives on in each of them, in every piece of art, every cherished memory, and every gentle moment of kindness she gave so freely.

Sharon's spirit, warmth, and creativity touched many lives. She will be deeply missed and forever remembered.
