“ *My heart is saddened learning of Lois husband's Ted passing in 2015. I would appreciate so much to contact her. We worked together for the State of Texas. She as an intern during the 1980's. I hadn't heard from her since December 1991; when she and Ted relocated to Newark, NJ. Lois, our address is still the same. Hopefully, someone will see this and inform you. Prayers and Love!*
