“ All I can remember of Tripp was of him when we were all at Delmar Gardns before Uncle Gene passed. Tripp wanted to hold our Great Grand son (6weeks old) He was so tender and loving that people stopped and inquired about them.I haven’ t been around him but saw such tenderness and caring for a young a child! I will never forget it!Trust God for comfort and healing through these hard days...Love and prayers, Aunt Beverly

“ My favorite memory of Tripp is when he was bragging to his classmates about finding the answer key to my riddle papers online. I upstaged him by handing him his own hard copy of the answer key. Lol His humor and wit will be something I always cherish. Rest easy kiddo. Your absence is already felt. Big hugs to everyone affected.

“ I only knew Tripp for the time he worked at Victory Lane. I really considered him a friend and loved being around his beautiful soul. He brought such a light to my job. I was shocked that this young man had such charisma, charm, humor, drive for everything he did, and so much care in his heart for my co workers and I. He would sit and listen to problems and give great mature advice. He would want to do my job for me on his 10 min break. He wanted to learn and put himself out there, and I was constantly impressed. I can't imagine what your family is going through and I am so sorry for your loss... he was dearly loved by everyone.
