General Price List

These prices are effective as of May 26, 2023

The prices contained herein are subject to change without notice.

General Price List

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of the Funeral Director and Staff **\$795**

Our services include: Personnel available 24 hours a day, 365 days a year to respond to initial call, conducting the arrangements conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs including facility maintenance, equipment and inventory costs, insurance aftercare services and administration expenses, and governmental compliance. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Personal Individual Attention and Concierge Service **\$495**

This fee may be applied to any case that requires attention or care exceeding that of our basic services fee. Examples of this include but are not limited to: after hours services or appointments, additional travel and lodging arrangements for staff delivering remains out of state, arranging transportation and hotel accommodations for out-of-town guests or any expedited services and coordinating and handling of catering services. Cost of food is additional.

Embalming **\$645**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Other preparation of the body
